Create a Facewall profile and start connecting today!

You've registered for Sage Summit; now what? It's time to start laying the groundwork for a memorable event. This year we're making it easier than ever to connect with like-minded attendees before the conference even begins.

Now Available: Facewall

Start with Facewall, a new social networking tool. Create a profile. Search for attendees by location, product, job role, or name. Then reach out and introduce yourself. It's an easy way to start connecting and see all the shiny happy people who will be at Sage Summit 2012. Sign up now. It'll only take a minute.

Coming Soon: Mobile App and VirtualTotebag®

The mobile app is the must-have tool for navigating the conference. In addition to the agenda, maps, social media, news, and sessions, it provides a handy people finder tool. Also look forward to the VirtualTotebag®, where you can store, manage, and access digital copies of the conference materials. Both of these exciting tools as well as download instructions are headed your way in July.

Book your room now and save!

Sage has negotiated great rates on accommodations at Gaylord Opryland and the Radisson. Space is limited. Book now.
